(Toronto, ON) April 2013 — Willing Mind Productions Inc. is thrilled to announce the premiere broadcast screening of:

**BEAUTIFULLY BROKEN,**  
**The Life & Work of Rafael Goldchain**  
on TVO, May 15th, 2013 at 9:00PM.

BEAUTIFULLY BROKEN documents the intimate connection between Rafael Goldchain's life tribulations and his body of work.

The film – with its own highly expressive visual syntax – vividly articulates Rafael's 30-year long journey to photograph not only the world but also more impressively, his subjective relationship to it.

Written and Directed by Vladimir Kabelik and produced by Marc Cohen and Peter Starr, BEAUTIFULLY BROKEN offers an engaging study of creativity and its hidden roots.
